## Selectmen's Report

---

Citizens of Nobleboro,

In completing a year as your Commissioner of Highways I believe that it be desirable that I present a report covering the activities of this department and listing the requirements for the coming year as I see them.

The major accomplishment was the reconstruction and tarring of the 3rd. class road at North Nobleboro and its redesignation and acceptance by the state as State Aid Road No. 6. This road was in very bad condition, is subject to a very considerable amount of traffic and altho the work done on it took a very substantial part of our State Aid Money I believe that you will agree that its acceptance by the State will be a great saving over a long period of time.

Metal culverts became available and it was possible to purchase and lay thirteen, four of which were used to eliminate wooden bridges. The requirements for culverts during the coming year will be about the same as for last year but will be substantially less in the future. Thus allowing more money for grading and surfacing providing the appropriation is maintained at \$2,000.00 which is the minimum amount of which the roads can be maintained at the present wage scale.

We have approximately two miles of Special Resolve Road located on East Neck and below the R. R. crossing at North Nobleboro. The North Nobleboro section was improved a long time ago and requires a lot of maintenance. I believe that \$300.00 is the minimum on which these roads can be kept in the condition that the people who travel them have a right to expect. Late last Fall it became apparent that it would be necessary to ditch Genthner's swamp for the protection of the road that passes over it. There was no money available for this purpose but it seemed

advisable to create an overdraft and do the work rather than risk the water going over the road during the Winter and Spring and the possible damage to vehicles becoming involved with the ice and water.

One of the major problems this year is the repair of the old No. 1, so called, starting at Pemaquid pond and continuing easterly until it intersects U. S. Route No. 1. This road is in very bad condition and must be repaired. I believe that by using a part of our State Aid Construction money starting at the westerly intersection and continuing to a point that would take care of the residences on the top of the hill we can again get this road taken over by the state and it will be a real step in the right direction. This would eliminate the necessity of a special appropriation.

As the Snow road is very little used and is in need of extensive repair it would seem good business to discontinue it as a town road.

For several years we have been without a grader and have had to hire. Many times it has been impossible to get one when wanted and this has proved to be a decided handicap. The cost of hiring would run as high as \$150.00 if we were to use one as much as need be. We can purchase a good used grader for \$300.00 to \$350.00. I think it would be advisable to do so raising \$200.00 by special appropriation and taking the balance from the general fund.

The Snow fence is nearly 20 years old and is becoming increasing costly to erect and remove as it breaks up very easily. We are short of fence at the present time and I believe it would be well to purchase 1000 ft. each year eliminating the old fence as fast as possible.

In conclusion let me say that I have tried conscientiously to keep as close as possible to the amount raised for each purpose except in instances where it was necessary to make expenditures to meet unforeseen conditions and eliminate unnecessary hazards. On the State Aid construction on East Neck I considered it

necessary to expend \$260.14 in excess of the amount that was allotted me for this purpose. This was done to prevent a waste of material taken from the top of the hill and to eliminate a narrow dangerous place at the end of the construction. I am willing to contribute one third of this amount which would be the towns share of the overdraft at such time as construction is continued from this point. I would be pleased to hear from anyone interested in helping make this an extra half unit.

Respectfully submitted,

HUDSEN H. VANNAH  
Commissioner of Highways.

---

## Report of the Superintendent of Schools

---

### To the Citizens of Nobleboro:

I wish to submit the following report for the municipal year 1946-47:

On the following pages you will find the usual financial and statistical data. I hope that a study of the information will be helpful in bringing about an understanding of the problems of your school system.

There has been only one change during the past year in the teaching staff of the Nobleboro Schools. Miss Margaret Childs was elected to fill the vacancy caused by the resignation of Mrs. Genevieve Wellington. The Nobleboro Schools are fortunate to have a staff of efficient teachers.

The recommended appropriations for next year total \$600.00 more than last year. This increase is due to a decrease in the equalization money which the town will receive from the State. The State Department estimates that the equalization money for Nobleboro will be \$1,026.00 in December 1947. The equalization payment in December 1946 was \$1,611.00.

The major repair jobs during the past year were the installation of new outside doors at the Mills School and the rehanging of the doors at the Center School. The plans for next year include the painting of the inside of the Center School. The room at the Center is dark and gloomy; it will be as cheerful and attractive as any of the rooms in the other schools after it has been done over in lighter colors. It is also hoped that a start can be made on re-decorating the inside of the Mills School, especially the primary room.

You will notice an explanation at the end of the financial statement. The school budget for the past few years has not been set up to coincide with the municipal year. The school budget is set up to provide for the payment of one year's salary to the

teachers and conveyors. If a teacher's salary is \$1,200.00, the teacher would receive 20 checks of \$60.00 each from the time the books closed in February 1946 to February 1947. At the time the financial statement was made up the employees of the School Department had received a full year's pay or 20 checks. If the payroll which was paid after the statement was made up had been included, it would have brought the salaries for a year and two weeks out of the budget for one year. It did not seem fair to the employees to have to wait until after town meeting for the next payroll.

Respectfully submitted

EARLE M. SPEAR

Superintendent of Schools

## FINANCIAL STATEMENT

## School Department—Town of Nobleboro

Receipts	Elementary	Secondary	Total
Unexpended Balance 1945-46	52.80		52.80
Appropriation	5,250.00	2,225.00	7,475.00
Tuition	9.75		9.75
Sale of Supplies & Equipment	47.47		47.47
State School Fund	2,396.82	883.38	3,280.20
Equalization	1,611.00		1,611.00
Total Receipts	9,367.84	3,108.38	12,476.22
Expenditures			
Teachers' Salaries	4,948.97		4,948.97
Conveyance	2,871.20		2,871.20
Janitorial & Cleaning	388.62		388.62
Books	311.45		311.45
Supplies	387.30		387.30
Fuel	359.87		359.87
Lights	52.50		52.50
Secondary Tuition		3,108.38	3,108.38
Total Expenditures	9,319.61	3,108.38	12,427.99
Unexpended Balance to 1947-48	48.23		48.23
	9,367.84	3,108.38	12,476.22

Since the above financial statement was made up, the teachers and conveyors have received one paycheck. The amount of the payroll was \$409.85. The teachers and conveyors had received a full year's pay since the closing of the books last February. The payroll for \$409.85 mentioned above was made in advance on the new year in order to avoid making the people on the payroll wait until after town meeting.

TOWN OF NOBLEBORO

55

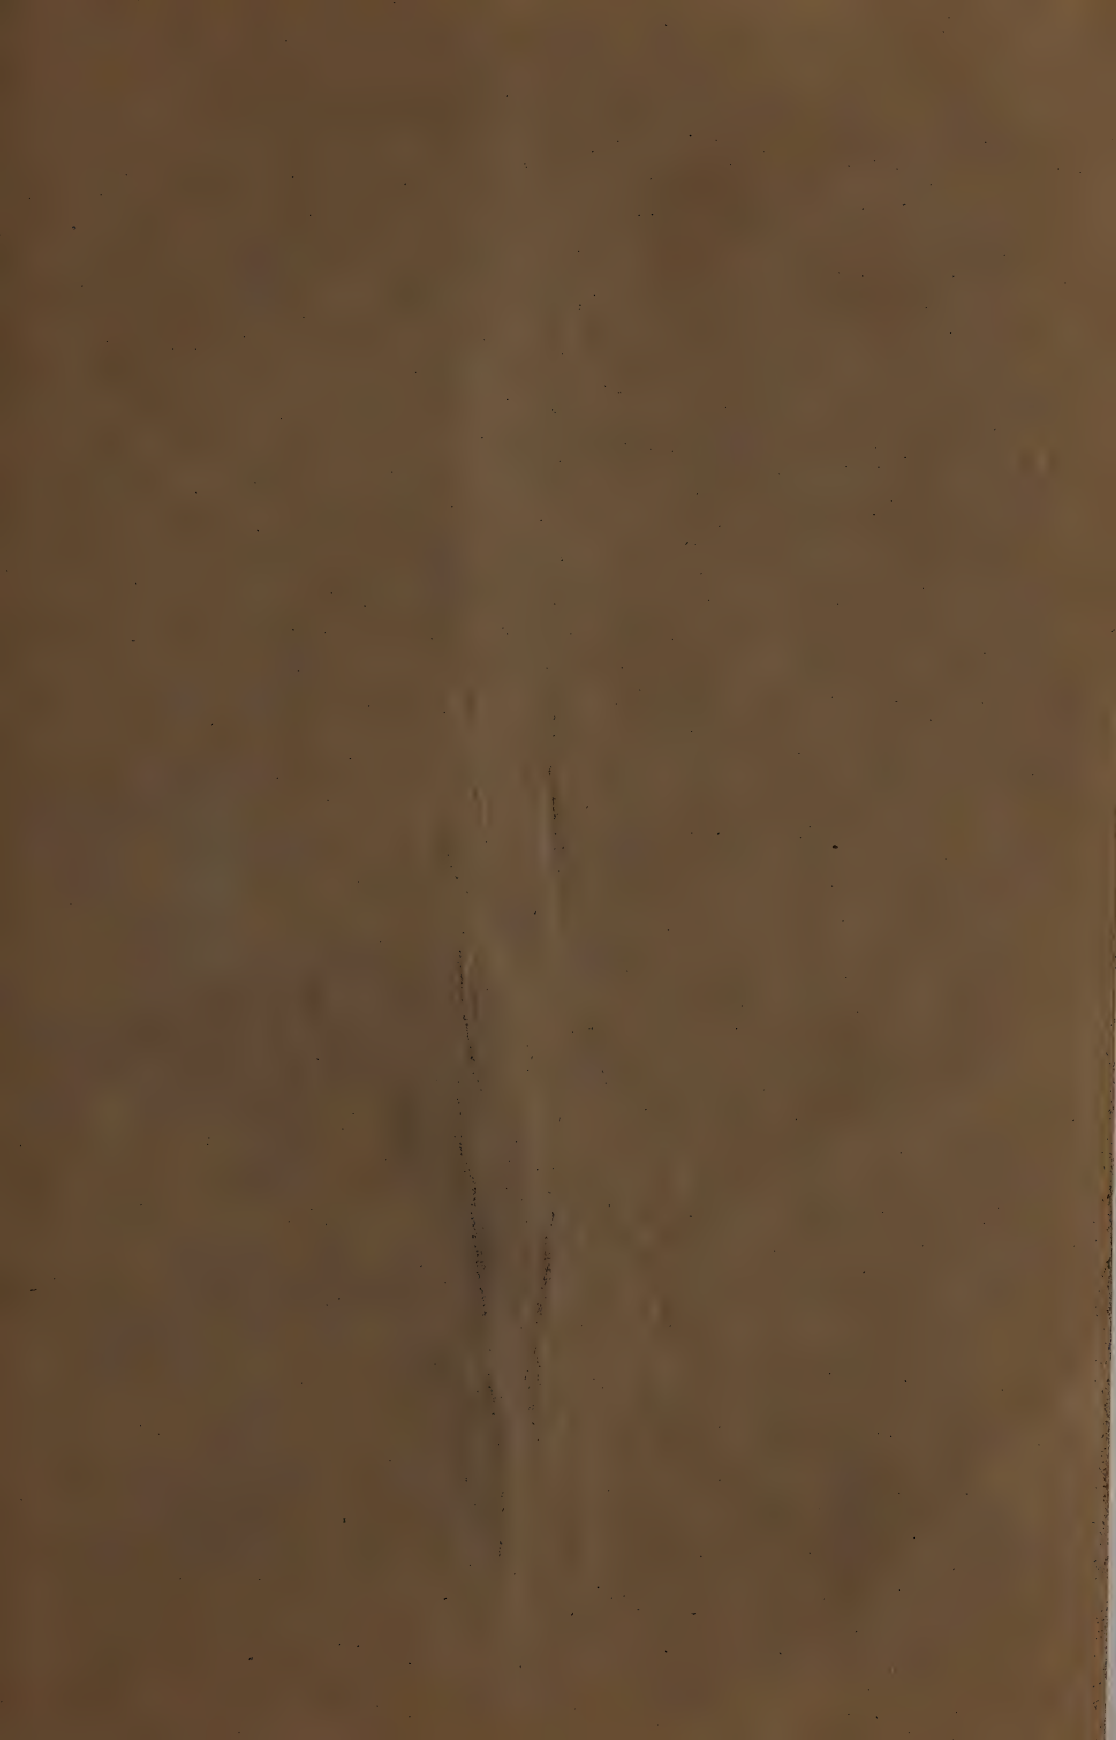

- Art. 20. To see whether or not the Town will vote to raise and appropriate the sum of \$75.00 to be used by the Fire Company to erect two dry hydrants at Damariscotta Mills, as petitioned by M. P. Mulligan and others. *Yes*
- Art. 21. To see if the Town will vote to raise and appropriate the sum of \$200.00 for the expenses, support and maintenance of the Regional Recreation Center now located and administered at Damariscotta, Maine. *Yes*
- Art. 22. To see whether or not the Town will vote to enter into a contract with Central Maine Power Company for a term of ten (10) years, whereby, in consideration of the furnishing of street lighting service to the Town during the term of said contract, copy of which has been presented to this meeting, the Town will pay for such street lighting service in accordance with the Company's municipal street lighting rate—contract basis. *5 1/2 hrs*
- Art. 23. To see what action the Town will take with reference to authorizing the Selectmen to execute and deliver the contract referred to in the preceding article. *Yes*
- Art. 24. To see what action the Town will take with reference to raising the necessary money to cover the street lighting service. *\$225.00*
- Art. 25. To see if the Town will vote to authorize the Selectmen on behalf of the Town to sell and dispose of any real estate acquired by the Town for non-payment of taxes thereon, on such terms as they deem advisable, and to execute quit claim deeds for such property. *Yes*

- Art. 26. To see if the Town will vote to continue operation of the Fish Stream in accordance with the Laws now governing the control and operation and to have these Laws assembled and published in a suitable paper, as petitioned by N. Bryant, J. G. Birkett, W. S. Bryant, H. H. Vannah, B. A. Ricker, Sheldon Berry and Leroy Brown. *Yes*
- Art. 27. To see if the Town will vote to authorize the Selectmen to borrow, in behalf of the Fish Committee, on such terms as they may deem feasible, such sums as may be needed for operating expenses at the Fish Stream in anticipation of receipts, or to take care of any deficit that may occur for the season of 1947. *Yes*
- Art. 28. To see if the Town will vote to authorize the Selectmen to borrow such sums of money as may be necessary to pay current expenses in anticipation of taxes, to be paid during the year out of money raised by taxes. *Yes*
- Art. 29. To see if the Town will vote to set aside Ladd's Hill, so-called, at Damariscotta Mills during the winter months, that the children may use it for sliding, as petitioned for by Merton Burns, Hollis Nelson and Harold Witham. *Yes*
- Art. 30. To choose a Constable or Constables, Fence Viewers, Surveyors of Wood and Lumber and any other necessary town officers.

The Selectmen hereby give notice that they will be in session at the Town House on Monday, March the seventeenth, at nine o'clock in the forenoon, for the purpose of correcting the list of voters.

Given under our hands this third day of March, A. D. 1947.
